INTRODUCTION

Welcome to REX, a venerable presence in the world of sewing machines with a legacy dating back to 1957. Over the decades, we have grown from a humble workshop into a renowned manufacturer and exporter, consistently setting new standards for craftsmanship and innovation. At REX, our commitment to quality is woven into the fabric of our identity, driving us to become one of the most trusted names in the industry. Our sewing machines, carefully crafted through stringent quality control measures, reflect not only our dedication to excellence but also our journey from strength to strength.

As a government of India recognized export house, REX proudly extends its reach to more than 36 countries worldwide. Our global recognition is a testament to the enduring value and reliability embedded in each REX sewing machine. While our footprint spans the globe, our focus remains firmly rooted in understanding and fulfilling the unique needs of our diverse customer base. Whether for industrial or household applications, REX sewing machines stand as a testament to our unwavering commitment to quality, innovation, and customer satisfaction.

ARTISAN MACHINES SHEET METAL STAND

18 X 44 X 1.0 inches

BAG CLOSER

Bag Closer Sewing Machine DL- Single Needle, Single Thread DL

Bag Closer Machine is a single-thread chain-stitch portable filled bags closing sewing machine. This robust machine stands up to the most demanding sewing jobs on all types of paper, textile and poly bags made from HDPE/PP, etc. It is simple to operate, even for inexperienced users. The reinforced feed mechanism consisting of wider presser foot and feed dog with a bigger throat plate than conventional single thread chain-stitch bag closing machines helps achieve smoother, even and better looking plain and folded top closures.

THANK YOU

Thank you for exploring the REX catalogue. We appreciate your time and consideration in discovering our range of sewing machines. If you have any questions or need further assistance, feel free to reach out. We value your interest in REX, and we look forward to the possibility of serving you.
